

MEGALOPTERA

Família CORYDALIDAE

ARCHICHAULIODES Weele (1909a)

Archichauliodes chilensis Kimmins (1954)

Chile

CHLORONIA Banks (1908b)

Chloronia antilliensis Flint (1970)

Dominica

Chloronia bogotana Weele (1909a)

Colômbia, Venezuela

Chloronia corripiens (Walker) (1858)

Brasil

= *Hermes corripiens* Walker (1858)

= *Neuromus corripiens* (Walker) (1858)

= *Corydalis livida* Hagen (1861) *nomen nudum*

Chloronia hieratica Navás (1928c)

Brasil, Ecuador

Chloronia hieroglyphicus (Rambur) (1842)

Argentina, Brasil, Caiena,

= *Neuromus hieroglyphicus* Rambur (1842)

Panamá, Venezuela

= *Hermes hieroglyphicus* (Rambur) (1842)

= *Corydalis hieroglyphicus* (Rambur) (1842)

Chloronia meridionalis Weele (1909a)

Brasil

Chloronia mexicana Stitz (1914)

México

Chloronia mirifica Navás (1925a)

Costa Rica

Chloronia ocellaris Navás (1934a)

Brasil

Chloronia pallidus (Davis) (1903)

? México

= *Neuromus pallidus* Davis (1903)

Chloronia winthemi (Davis) (1903)

Brasil

= *Neuromus winthemi* Davis (1903)

CORYDALUS Latreille (1802)

= *Corydalis* (sic) Latreille (1805)

Argentina, Brasil

Corydalus affinis (Burmeister) (1839)

= *Corydalis affinis* Burmeister (1839)

Corydalis ancilla Hagen (1861) *nomen nudum*

Argentina, Brasil,

Corydalus armatus (Davis) (1903)

Colômbia, Ecuador, Panamá,

= *Corydalis armata* Davis (1903)

= *Corydalus ormatus* (sic) Navás (1929e)

= *Corydalis peruviana* Davis (1903)

Peru, Venezuela

Corydalus armatus flavicornis Stitz (1914)

Panamá

Corydalus armatus laevicornis Stitz (1914)

México

Corydalis armigera Hagen (1861) *nomen nudum*

Corydalus arpi Navás (1936b)

Brasil

Corydalus batesi (MacLachlan) (1868)

Brasil, Guiana, Venezuela

= *Corydalus batesi* MacLachlan (1868)

Corydalus bolivari Banks (1943a)

Venezuela

Corydalus camposi Navás (1935b)

Equador

Corydalus cephalotes Rambur (1824)

Brasil

= *Neuromus cephalotes* (Rambur) (1842)

= *Corydalis hecate* MacLachlan (1866)

Corydalis cognata Hagen (1861) *nomen nudum*
